1. As I discussed with [REDACTED] yesterday, at the time of my recent visit to [REDACTED] (in connection with the training of certain pilot personnel) I turned over to [REDACTED] USA, two automatic pistols - caliber 6.35 mm, Brevetta, Serial #s 649036 and 646184.

2. I did this in order to have on hand at [REDACTED] samples of these pistols for use in subsequent training of pilot personnel at that installation. I would appreciate it if you would conform your records accordingly and notify the Office of Logistics of the transfer of these weapons to the above location. I leave to you the decision as to the advisability of retrieving them from the armory at [REDACTED] at the conclusion of our training there.
